

The new STEYR PLUS series from 80 hp to 120 hp

EVERYONE DESERVES A **PLUS**

Your partner to rely on.

STEYR
TRAKTOREN

THE ULTIMATE ALL-ROUND **VERSATILITY**

An iconic product name of the STEYR brand, the PLUS series returns to create a powerful link between our rich history and strong future.

The result: STEYR PLUS, more than you expect, just what you deserve

The ultimate all-round versatility for today's modern mixed and livestock farms. Whether it is doing loader work, working with front or rear mounted implements, transport, or even in confined spaces, the PLUS delivers maximum performance and comfort.

The bold and dynamic look express the force of our modern design, that makes it look like larger high-power tractors.

A 3.6 l FPT Industrial engine, with power from 80 to 117 hp, gives a wide choice of models to fit all end users' needs.

» **It does it all, better.**

EASE OF USE IS A **GREAT PLUS**

Axle-guided front hitch.

Impressive manoeuvrability with the Powershuttle.

Class 1.0 HD and 1.5 HD front axles ideal for intensive loader work.

Combinations of tyres and wheels to suit every type of application.

40 kph ECO- speed on S-Control 2 transmission for reduced fuel consumption.

Increased Gross Vehicle Weight of 7,000 kg.

S-Control 2 - 24x24 2-speed Powershift transmission with Powershuttle.

Ergonomic operation using the Multicontroller.

High lift capacity of up to 5,000 kg with increased capacity 80 l/min pump.

S-Guide Autoguidance ensuring up to 1.5 cm pass-to-pass and year-over-year accuracy.

Superlative visibility with Hi-Visibility roof panel and redesigned exhaust.

Loader Ready with complete loader package from factory.

New suspended cab.

Mechanical Front Hitch with front PTO.

Brake to Clutch for smooth control of the tractor and Stop & Go functionality.

Mechanical Draft Control or Electronic Draft Control.

Variable Ratio Steering reducing the lock-to-lock turns of the steering wheel.

Lift-O-Matic system offers fast implement raising and lowering.

GET A PLUS IN **ALL SUBJECTS**

Plus in versatility

Class 1.0 HD and 1.5 HD front axles to suit all needs, complete loader package from factory for loader plug-and-play, up to 16.9 R38 tyres and increased Gross Vehicle Weight of 7,000 kg emphasise the multiform talent of this series.

Plus in productivity

Powerful and efficient 3.6 l FPT Industrial engine with power from 80 to 117 hp, 80 l/min pump for increased responsiveness, up to 5,000 kg lift capacity, and new light package provide the right equipment to produce more with less.

Plus in comfort

New cab suspension for a smooth ride, new clear display of the machine's parameters and settings, Hi-Visibility roof panel, Brake to Clutch and Variable Ratio Steering help to make long working days much more comfortable.

Plus in precision

S-Guide Autoguidance ensures up to 1.5 cm pass-to-pass and year-over-year accuracy, allowing accurate application of production inputs. With 5 years S-Fleet Telematics, agronomic decisions can be taken on-the-go thus improving productivity and efficiency.
